Five steps to more easily find an in-network dentist

Taking care of your smile starts with finding the right dentist. Use our provider search tool to look for an in-network dentist near you. It's updated regularly so you can search with confidence.

1

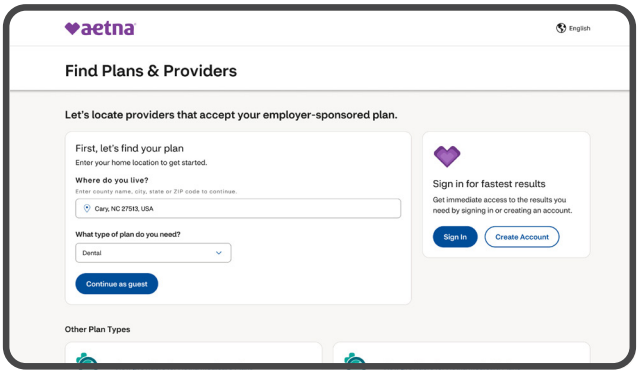

Click here to access our provider search.

2

You can either **create an account or continue as a guest**.

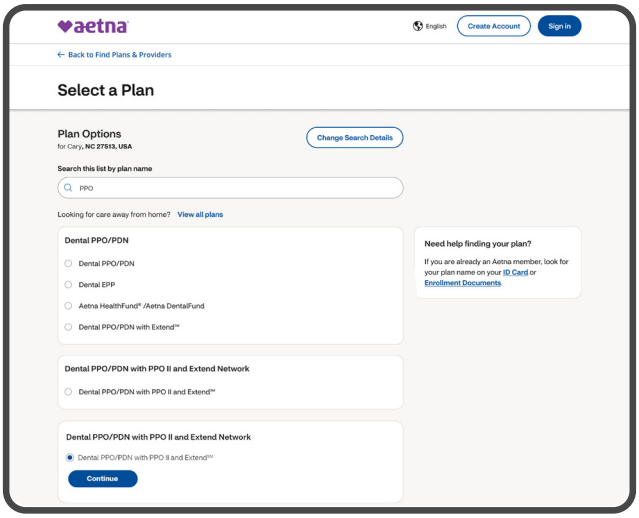

To continue as a guest, **type in your city, state or ZIP code**. Then choose **"Dental"** for the type of plan your need. Click **"Continue as guest."**

3

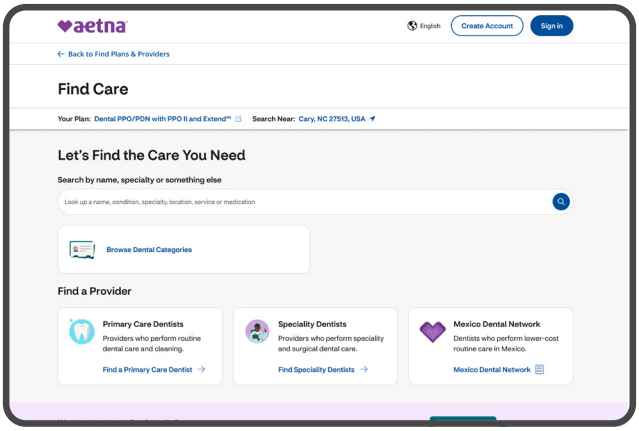

Choose your Dental PPO/PDN with **PPO II and Extend℠** and **click continue.**

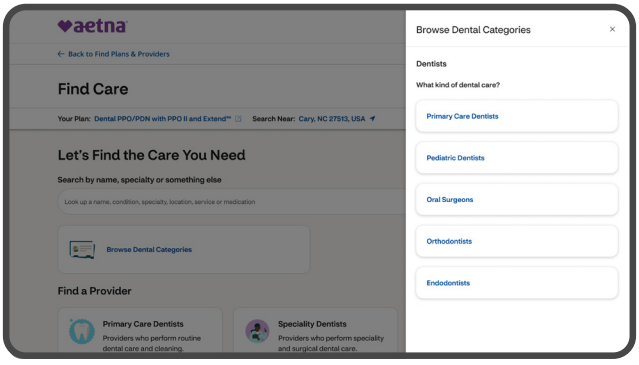

4

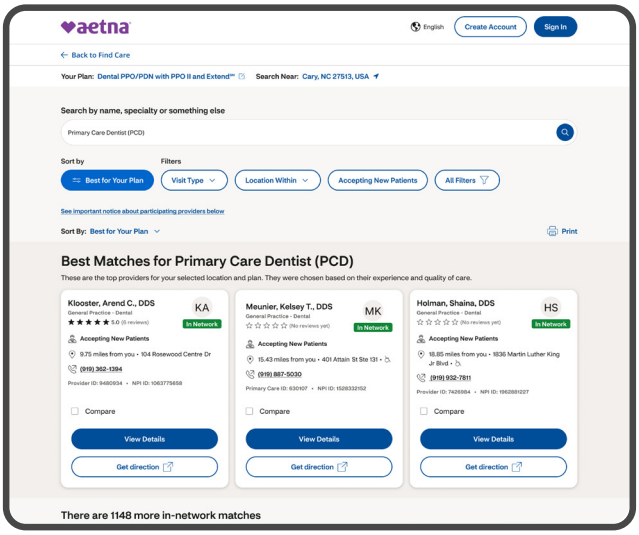

Search for a dentist. Enter a **dentist's name or specialty** in the search bar or select **"Browse Dental Categories"** to narrow your search by specialty, including primary care, pediatric dentistry, oral surgery, orthodontia and more. Choose a **provider type** to see dentists in your area.

5

View your results.
Select **“View Details”** to learn more about each provider before making an appointment.
