Your dental plan, your way

With the Aetna Dental® Preferred Provider Organization (PPO) plan, you get the freedom to choose your dentist and the support to keep your smile healthy.

Understanding your dental plan

A Dental PPO gives you access to a large network of dentists and specialists with flexibility to choose where you get care that fits your needs. When you visit an in-network PPO dentist, you typically pay less out-of-pocket.

How it works

- ✓ **Choose any licensed dentist,** in-or out-of-network, with no primary care dentist or referrals required
- ✓ **Save money** with in-network rates
- ✓ **See a specialist** when needed, with no referral

What's covered*

Preventive care: Cleanings, exams and x-rays

Basic care: Fillings and simple extractions

Major services: Crowns, bridges, dentures and root canals

Orthodontics: May be available, depending on your plan. See your plan documents for details.
